Subject: THANK YOU

Hello Everybody- This note is a huge thank you to all who stepped up and helped out with the vaccination PODs this past week. 3000 shots in 3 days was the goal, and we made it thanks to the tremendous team effort by all. Contributors included: SAV, CERT, Fire Corps, GV Nurses Group, GVFD, DHFD, PMG, SCVRH, and CPAC.

I can't begin to tell you how proud and grateful I am for all of you and the work that was accomplished. While there will always be hiccups along the way, I felt both PODs did a great job of evaluating and adjusting as needed to improve efficiency throughout the three days and ensuring that doses were not wasted. We will take these lessons, and apply them as we prepare for our next POD delivery in the future.

We have no official information as to when we will open our next PODs, but I am grateful to know that I can count on all of you when the time comes.

Once again, thank you for a job well done, and I look forward to working with all of you again in the very near future.

Please pass this note on to all of your team members.

Best,

Chief Wunder
